

Is **MERCURY** Lurking in Your Home?

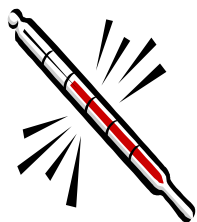

Bring products that contain mercury to the

City of Gastonia's Mercury Collection Day

Saturday, July 13th

at the Farmers Market on Long Ave.

from 8 a.m. to 3 p.m.

Exchange your mercury thermometer for a **FREE** RG Diagnostics Geratherm mercury-free thermometer while supplies last!

Mercury may be found in such household items as: thermometers, some types of batteries, fluorescent light bulbs, latex paints, and sneakers that light up!
